A Note From Sites and Trails B.C.

The Ministry of Forests, Lands and Natural Resource Operations (FLNRO), PG/MKZ Sites and Trails B.C. (STBC) would like to recognize the efforts and dedication of Tabor Mountain Recreation society's executive, board of directors, volunteers, and affiliates in the formal establishment of recreational trails and the development of this Recreational Resource Management Plan for the benefit of recreationalists.

As a partner with Tabor Mountain Recreation Society, we are pleased to be affiliated with this society and its values. We look forward to working in partnership for the betterment of recreation opportunities and experiences on Tabor Mountain.

A Note from Tabor Mountain Recreation Society

Tabor Mountain Recreation Society (TMRS) would like to acknowledge the efforts of its members, STBC, licensees, affiliates, and volunteers in the formal establishment of recreational trails and the development of this Recreational Resource Management Plan for the betterment of recreational opportunities on Tabor Mountain.

We look forward to working with STBC, licensees, our volunteers and affiliates in the implementation of this recreational management plan. We encourage recreationalists to become new member of TMRS with the knowledge that TMRS provides a clear **vision statement** for all recreationalists that states:

“Tabor Mountain Recreation Society will provide leadership in the management of Tabor Mountain’s year round opportunities for high quality outdoor recreational and wilderness experiences with trails that are safe and environmentally sensitive.”

Acknowledgement

The development of the Recreational Resource Management Plan for Tabor Mountain Recreation Society (TMRS) for Tabor Mountain, 2012 to 2016, involved work by the executive of TMRS and members of TMRS over the past year. This document represents a collaborative effort of many members of the society.

TMRS would like to acknowledgement the executive of Steven Dubas, Randy Ellenchuk, Bob Bullock and Norm Clark for their dedication and contribution in the development of this plan.

TMRS would like to extend a special thank you to Mikel Leclerc RPF and April Bilawchuk, Ministry of Forests, Lands and Natural Resource Operations Sites and Trails BC, Prince George/Mackenzie District, for their cooperation, guidance and unwavering support in the establishment of the trails and their participation in the development of this management plan.

We would like to acknowledge all the volunteers who dedicate their time and passion in the success of Tabor Mountain trails and site establishment. Without your participation, we would not be here today. We thank you.

Ken Hodges RPF, guided TMRS through the planning process and wrote the Recreational Resource Management Plan for Tabor Mountain Recreation Society as a voluntary contribution to assist TMRS in its efforts in achieving success on Tabor Mountain for recreational users
